The Sunny Side
By A. A. Milne (1882 - 1956)

The Sunny Side is a collection of short stories and essays by A. A. Milne. Though Milne is best known for his classic children's books, especially *Winnie The Pooh*, he also wrote extensively for adults, most notably in *Punch*, to which he was a contributor and later Assistant Editor. *The Sunny Side* collects his columns for *Punch*, which include poems, essays and short stories, from 1912 to 1920. Wry, often satirical and always amusingly written, these pieces poke fun at topics from writing plays to lying about bird-watching. They vary greatly in length so there is something for everyone.
